

A Class to refresh your Ham Radio skills. and check your Radio Equipment

Rich Bugarin is giving a Ham Radio refresher class to help folks be a better radio operator and go over stuff you forgot or never knew

Location: J&W Auto Wreckers, 8626 Antelope North Rd., Antelope, CA 95843

Dates: Saturday March 30th

Time: 10:00am till done (no later than 2:00pm)

Cost: Class is free

Who may come? Anyone (need not to be a club member)

What to Bring: Bring all your Ham Radios and accessories also any radio reference manuals/guides you may have.

Rich will be available from 9:00am on, **at 10:00am there will be a PowerPoint classroom presentation** that will help refresh your Ham knowledge and learn new stuff like IRLP.

After the class presentation we will play with our radios and learn how to operate them better.

Rich will bring his antenna analyzer so we can check the antenna of your rig and tune it up as needed.

Come on down and have some fun.

For more information contact Rich at 916-300-3192
