

April 27th Hi-Landers Club Run to the hills of Reno to view the Wild Mustangs

For the folks that wish to travel up on their own (and maybe get a Reno hotel room) we will meet on the Mills street entrance of the Grand Sierra Resort (GSR) near the pond at 9:00am.

For those that wish to drive up on Saturday morning we will meet at 6:15am in the Walmart parking lot near Mel's Diner. The Walmart is at Sierra College and I-80 in Rocklin (exit 109). We will caravan up with spare time to top off fuel in Sparks.

The trail is on BLM land and easy enough for any 4-wheel drive including SUV's and Pickups.

The trail will take us south and east of the Reno City Valley.

This year we plan on stopping at the Indian petroglyphs then head south and exit the trail near Virginia City at about 5:30pm.

It's a full day bring a lunch, snacks and drinks. Some folks bring camp chairs so they can lunch in comfort and don't forget the camera.

Hope you can join us.
